

Interpretation of user utterances

KONOPIK, M., MOUZEK, R. Interpretation of user utterances. In *Proceedings of the International PhD workshop on systems and control*. Ljubljana: Department of Systems and control Jozef Stefan Institute, 2005. s. 1-6. ISBN: 961-6303-74-0

In this article we present a novel approach to the interpretation of user utterances in order to understand the content of an utterance. We are focused on conversational spoken language and restricted domains.
