

# Clustering of Words from Czech Written Documents Using GHSOM

MOUŠEK, R., MAUTNER, P. Clustering of Words from Czech  
Written Documents Using GHSOM. In *2010 second WRI global  
congress on intelligent systems. Vol. 3*. Los Alamitos: IEEE, 2010. s.  
150-153. ISBN: 978-0-7695-4304-8

---

The paper focuses on possibilities of improving categorization of words from input collection of Czech written documents into syntactic categories using the Growing Hierarchical Self-Organizing Map (GHSOM). Clustering on two document collections is presented; results of GHSOM and WEBSOM are compared. The modified GHSOM is introduced.
